

NEW NORMAL DORM TO BE UP-TO-DATE

Good Ideas of Best in the Country Will Be Incorporated in It.

As soon as a location can be decided upon and plans completed actual work will begin on the dormitory which will be erected on the Normal school campus and for the erection of which the West Virginia State legislature appropriated the sum of \$35,000.

Upon a recent visit to this city Hon. James S. Lakin, member of the state board of control, the matter was discussed and some tentative plans were adopted. However these plans probably will be somewhat modified and work will not begin until the plans are entirely completed.

President Joseph Rosier of the Normal and Architect R. A. Gillis recently spent a week in inspecting the Normal school plants and universities in the states of Michigan and Ohio relative to securing data and suggestions to be incorporated perhaps in the building of the dormitory. They visited the normal schools at Ypsilanti and Kalamazoo, Mich., also the University of Michigan at Ann Arbor at which place is located perhaps the finest woman's dormitory to be found in the United States. This dormitory was erected by a wealthy citizen of the state as a memorial and students may secure room and board in this luxurious home for a very moderate sum. They also visited the new normal school plants at Bowling Green and Kent, Ohio.

It is proposed to locate the new dormitory at the rear of the present school edifice at the east end. In locating the dormitory the school officials are looking forward to the future growth of the school and are endeavoring to place it so that other dormitories as well as a Training school, a Science building and other buildings may be erected as the need develops.

A corps of engineers are at work today establishing a grade for a roadway to be constructed around the East end of the building which will connect with the roadway which will pass the new dormitory location and which will conform with the roadway which leads around the west end of the building. It is proposed to start the work of grading this road Wednesday.

The big hump which stood at the west end of the building and which had never been graded down has been removed and grass seed sown with the result that the building's appearance is greatly improved.

MANNINGTON

For Red Cross.

The Dorcas Bible class of the M. E. church will meet in the Red Cross rooms on Thursday afternoon to sew garments for the foreign refugees.

Recruiters Here.

The navy recruiting party arrived here yesterday morning and established headquarters at Hotel Bartlett. A navy film was shown at a local theatre depicting life in the navy and was full of interest. Young men who are interested in the naval service are requested to call at headquarters. All branches of the service are open to men between the ages of 17 and 35.

Dined Veterans.

Gooch Post, G. A. R., of Rymer, was entertained at twelve o'clock dinner at the home of Mrs. John M. Millan on Sunday. Six members were present. After the repast the veterans decorated the graves of deceased comrades in the Rymer cemetery. A good program was given by Rymer children and grown folks at the church in the morning. Many persons from Mannington and vicinity attended despite the bad roads.

Sewing Party.

Mrs. Glenn Huey, Mrs. P. M. Lough and Miss Sallie Newell will entertain a Red Cross sewing party at the residence of J. O. Huey at Salt Lick tomorrow. The party will leave on the ten o'clock interurban car.

Attended Reunion.

Mrs. E. B. Koen and Mrs. J. F. Beatty attended the alumni reunion and reception to Cardinal Gibbons at

WOMAN SO ILL COULD NOT WALK

Lydia E. Pinkham's Vegetable Compound Restored Her to Health.

Perth Amboy, N.J. — "For three years I suffered with a severe female trouble, was nervous, had backache and a pain in my side most of the time. I had dizzy spells and was often so faint I could not walk across the floor. The doctor said I would have to have an operation. I read about Lydia E. Pinkham's Vegetable Compound in many newspapers, and tried it. Now I am better, feel strong, have no pains, backache or dizzy spells. Every one tells me how well I look, and I tell them to use Lydia E. Pinkham's Vegetable Compound—that is what makes me feel well and look well. I recommended it to my sister and she is using it now. You can use this letter if you wish, for it is certainly a grand remedy for a woman's ills." — Mrs. MARTHA STANLEY WASH, 524 Penn St., Perth Amboy, N.J.

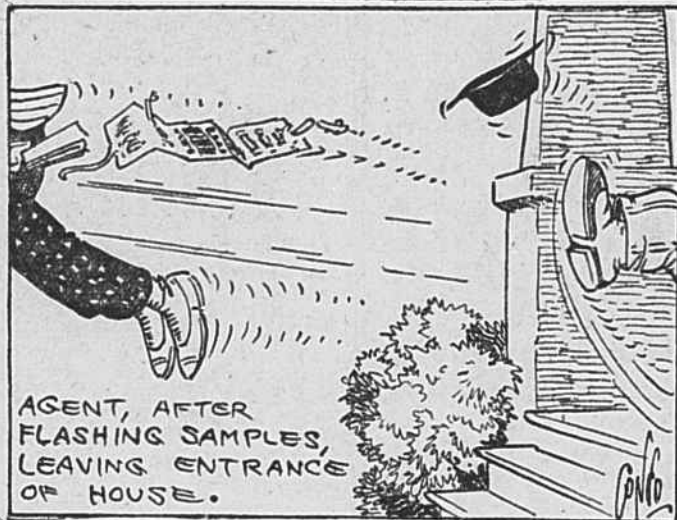

For forty years Lydia E. Pinkham's Vegetable Compound has been overcoming such serious conditions as displacements, inflammation, ulceration, irregularities, periodic pains, backache, dizziness, and nervous prostration of women, and is now considered the standard remedy for such ailments.
